#### IMPORTANT DATES

17th October 2010, 23:59 BST (UTC+1) 2010: Graduate Student Symposium AND Art Explorations  
31st October 2010, 23:59 BST (UTC+1) 2010: Design Challenge  
10th December 2010, 23:59 BST (UTC+1) 2010: Early registration deadline  
23rd-26th January 2011: TEI Conference in Funchal, Madeira, Portugal

TEI is the premier venue for cutting edge research on interaction with tangible artefacts and systems. We invite submissions of prototypes and daring ideas, tools and technologies, methods and models, as well as interactive art, interaction design, and user experience that contribute new understandings to the broad area of tangible computing, embodied interaction, interactive surfaces and embedded interactive systems. Upcoming deadlines include:

\*\*\* Art Explorations \*\*\* aims to attract interactive artworks exploring digital and virtual connections. The work should be evocative, thought provoking and content rich. Artworks can range from Digital interactive installations to technology-enhanced fashion, products and services. Art Explorations welcomes work from a wide range of practitioners in areas such as interaction design, research or art, including submissions from students and independent practitioners. Submit a video (max 5 minutes) and 2 page textual description for a juried review. Online: [http://www.tei-conf.org/11/participation\\_/art-explorations/](http://www.tei-conf.org/11/participation_/art-explorations/)

\*\*\* Graduate Student Consortium (GSC) \*\*\* is a one day forum for graduate students to discuss their work with each other and a panel of experienced TEI researchers. Students give short presentations about their work and present their work as posters during the main conference. We welcome application from graduate students in terminal degree programs (i.e. doctoral programs in research fields, and master programs in the arts). Online: [http://www.tei-conf.org/11/participation\\_/gsc/](http://www.tei-conf.org/11/participation_/gsc/)

\*\*\* Design Challenge \*\*\*

TEI is delighted to announce its first student design challenge focused on superhero costumes and accessories. Designs will be presented and cash prizes awarded at a special runway event during TEI 2011. Preliminary applications due 31st October. Online: [http://www.tei-conf.org/11/participation\\_/design-challenge/](http://www.tei-conf.org/11/participation_/design-challenge/)

\*\*\* Student Volunteers \*\*\*

We need student volunteers to help with TEI-2011. It's a lot of work, but it's also a lot of fun. The application deadline is 31st October. Online:

#### VENUE INFORMATION

TEI 2011 will take place in Funchal, the capital of the Madeira archipelago, an autonomous region of Portugal. A popular and easily accessible tourist destination, Madeira offers a compelling combination of breath-taking scenery, great food, a relaxed lifestyle and rich local color. TEI 2011 in Funchal will be a memorable experience, and Madeira has much to offer those who stay a few extra days.
